

National Aeronautics and Space Admin.

§ 1245.501

the corresponding U.S. patent or patent application.

§ 1245.403 Government license.

There will be reserved from each exclusive license an irrevocable, non-exclusive, nontransferable, royalty-free license for the practice of such invention throughout the world by or on behalf of the United States or any foreign government pursuant to any existing or future treaty or agreement with the United States.

§ 1245.404 Enforcement of patent rights.

An exclusive licensee will be authorized to enforce the licensed patent and to sue infringers of the patent at its own expense.

§ 1245.405 Procedures.

(a) NASA will publish in the United States, and elsewhere as may be appropriate, lists of NASA-owned foreign patents or patent applications available for licensing.

(b) NASA will also furnish written notice of the availability for licensing of NASA-owned foreign patents or patent applications to any licensee under the corresponding U.S. patent or patent application.

(c) Applications for license should be addressed to the Administrator, National Aeronautics and Space Administration, Washington, DC 20456. The application must fully identify the patent or patent application, and state the type of license requested together with proposed terms and conditions thereof.

(d) The conduct of negotiations with prospective licensees will be the responsibility of the General Counsel, NASA. In the conduct of such negotiations, due regard shall be had for the possible interests of NASA program and staff offices, and their coordination will be obtained as deemed appropriate.

(e) NASA will publish notice in the FEDERAL REGISTER, and elsewhere as may be appropriate, of its intention to grant an exclusive license under an identified patent or patent application. An exclusive license will not be granted until the expiration of 60 days from the date of notice in order to provide a suitable time interval for interested

persons or other Government agencies to interpose comment or objection.

(f) All licenses shall become effective upon the written acceptance by the licensee of a license instrument specifying the type of license and terms and conditions thereof.

Subpart 5—Authority and Delegations To Take Certain Actions Relating to Patents and Other Intellectual Property Rights

AUTHORITY: 42 U.S.C. 2473, 2457; 14 CFR 1204.506.

SOURCE: 43 FR 34122, Aug. 3, 1978, unless otherwise noted.

§ 1245.500 Scope.

This subpart 5 sets forth the authority and delegations relating to intellectual property rights, and the administration of the NASA patent program.

§ 1245.501 General Counsel.

The General Counsel administers the NASA patent program and is delegated authority to take the following specific actions related to intellectual property, including patent, copyright, trademark, and related matters:

(a) *Determination of rights.* (1) To execute notifications of the Administrator's determinations made pursuant to section 305(a) of the National Aeronautics and Space Act of 1958, as amended;

(2) To make determinations, under Executive Order 10096 of January 23, 1950, as amended, of the respective rights of the Government and of the inventor in and to inventions made by employees under the administrative jurisdiction of the National Aeronautics and Space Administration, and to appoint a liaison officer to deal with the Commissioner of Patents in such matters pursuant to 37 CFR 100.10, "Administration of a Uniform Patent Policy With Respect to the Domestic Rights in Inventions Made by Government Employees";

(b) *Powers of attorney.* To appoint and/or revoke principal attorneys and to execute necessary powers of attorney for the purpose of filing and prosecuting patent applications in which the United States, as represented by
